

## The Follies Family Tree

---

What is a family tree? A genealogical diagram

The Follies Family Tree has a strong base and is connected by limbs, branches and leaves from all over. We are not bound by blood but by a desire to provide hospice care for people in need.

Help us fill the Follies Family tree with love, hope, and support. To memorialize, honor or recognize someone, simply write their name on one of our leaves and place it on the Follies Family Tree. The tree will be located in the lobby of Secrest Auditorium during all performances of "The Show Must Go On" in March.

You can get a leaf when attending one of the performances or if you complete the form below we will place the leaf for you. There is no cost to hang a leaf on our family tree, but donations would be greatly appreciated and all donations will go to support hospice care.

Please complete the form below and mail it to: The Follies Family, PO Box 2924, Zanesville, OH 43702- 2924. Forms must be received by the Wednesday prior to the show date to ensure placement on the tree for all performances.
